New Release—Pocket Change by Patsy Evans Pittman

“*Pocket Change* is a lovely book, filled with the truth and beauty of life. I loved reading about the author’s life and enjoyed her loving tributes to the people who have populated her world. The moving vignettes reminded me of my blessings and made me want to fully live each moment, just as Pittman has done. Poems, sprinkled throughout, were thoughtful, poignant, and alive with meaning. Eloquence and grace fill the essays. I came away refreshed, reminded that though life is full of changes, faith always provides the antidote to anxiety and grief—ample doses of hope and love to carry us through.”

—Melinda Rumbaugh, Associate Editor Ideals Publications, a **Guidепosts** Company

Pocket Change by Patsy Evans Pittman, ISBN: 0-929915-56-9, 6 x 9, paperback, Illustrated, 80 pages, Retail Price \$19.95

Those who have read and enjoyed Pittman’s collection of short stories, *Blood Kin & Other Strangers*, will want to add this book to their list of favorites. These inspirational and nostalgic stories—many of which have appeared in such prestigious publications as *Guidепosts Books*, *Ideals*, *Country Woman* and *Cup of Comfort*—will encourage you to remember the past, live in the present, and look with confidence to the future.
